Breastfeeding or pumping mothers bring your babies for information on how to handle any challenges you are facing. A Lactation Consultant and/or Registered Nurse will be available to check latch technique, help with proper positioning and breast care and answer any questions you may have. Join us to support other new moms, share experiences, and learn useful tips.

Directions: Dogwood Classrooms are located on the first floor of the hospital. Park at surgery entrance and go straight and room is on the right.
